**Subject:** Top Performing Agency—"Click It Or Ticket" Second Place

Dear Chief Reogas,

This letter serves to recognize the Alabama's "Top Performers" during the National Highway Traffic Safety Administration's directed "Click It or Ticket" (CIOT) Campaign. **Haleyville Police Department** has won this distinction as the "Second Place Top Performer"—Congratulations

The Alabama Department of Economic Affairs, Law Enforcement Traffic Safety Division manages and represents such high visibility activities for the state of Alabama. During CIOT 2008, the North Alabama Region ranked among the top three regions in the state, relative to restraint citations written. Recognition such as this would not be possible without your participation

After reviewing individual agency productivity measures to funds utilized, your agency yields one of the best return on investment (ROI) and is identified as Alabama's number two top performing committed agency.

Thank you again for your continuous commitment. You were the third top performer last year and the second top performer this year. With this type of effort it seems as if you will be number one next year.

Sincerely,

  
Jvarra McCall
